HHS CYBERSECURITY AWARENESS FAIR

Friday, Oct. 19
8 a.m.–1 p.m.

701 W. 51st Street, Austin
John H. Winters Complex
Public Hearing Room

October is National Cyber Security Awareness Month. The internet touches almost all aspects of everyone's daily life, whether we realize it or not. Our goal is to engage our organization through this event to raise awareness and provide the resources needed to stay secure in a digital world.

The event is open to all HHS employees and will be available via webinar for those who can't attend. Staff who attend in person can receive continuing education credit.
